PREPARATORY SCHOOL

# Welcome

# The Mission

Bradford is a college preparatory school committed to academic excellence, nurturing personal relationships, and inspiring a growing passion for creativity and learning in all of our students.

# Goals for Today

- Review school goals for the 22/23 school year
- Share strategic updates
- Go over important information all parents need to know
- Talk about what families can expect for this school year

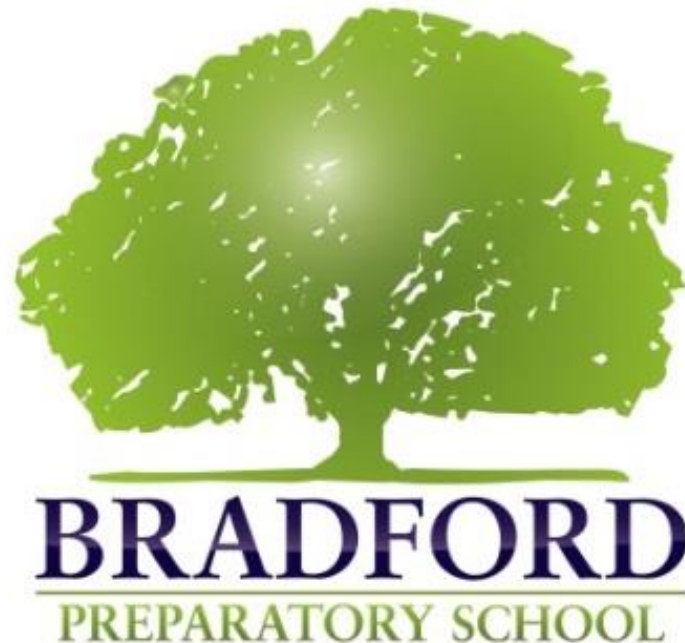

# School Goals

- Board and Admin team reviewed academic data and results from the teacher and parent surveys
- Areas of Focus for coming year:
  - a. Continue providing reading and math support for students to help close the pandemic academic gaps
  - b. Improve communication schoolwide
  - c. RE-engage students in the Bradford Way
  - d. Focus on college prep program in grades 9-12
  - e. Work on science and math curriculum fidelity

# Close Academic Gaps

- Start by focusing on reading in grades K-4
- Continue partnership with Read Charlotte
- Continue implementation of reading assessment - A2i with fidelity
- Math in grades 5-12
- In grades 5-8 we have hired math interventionists to help support in the classroom

# Parent Communication

- Bloomz will be the go-to for ALL school communication. This app will be used for all parent communication, as well as communication with students.
- Teachers will use this app to update parents with needed information and to remind students of deadlines
- We will also use this app to get out immediate parent information (ex. Inclement weather)
- We will still send school-wide parent newsletters
- Your child's teacher is always your contact when you have a question or concern
- The App pulls info from PowerSchool
- Call the school with immediate info, email policy is 72 hours

# Parent Engagement

- Engage in the “Bradford Way”
- Read all school communication
- Attend all student led conferences
- Attend school events (athletics, spirit nights etc.)
- Volunteer at the school (Chaperone field trips)
- In MS, encourage your child to communicate with their teachers and to use Canvas to stay on top of assignments
- In US, allow your child to manage their classes and assignments. Provide organizational support at home. Let your child do the communicating with their teachers
- Check PowerSchool for grades and attendance
- Canvas is for students only
- Request a parent conference if you have a concern

# Student Engagement

- Come to school EVERYDAY ready to learn
- Attend student events throughout the year
- Field trips for all students
- Participate in advisory, House, clubs, flex Fridays
- Community Service Day
- Student Engagement Conferences (2x per year)
- Athletics and clubs
- ENRICH classes for all students 6-12
- Practice the Bradford Prep Creed
